

Vision Tools Workspace , Integration with HIS

Vision Tools Workspace Viewer

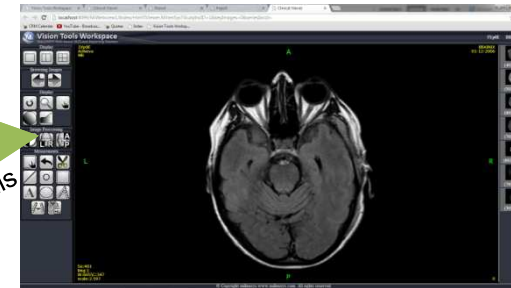

Hospital Information System Application "HIS"

The screenshot shows the 'HospitalInfo Advanced 2009' interface. It includes a 'Patient File' section with fields for Patient ID, First Name, Last Name, Birth Date, Medical Status, Insurance #, and a list of medical conditions. Below this is a 'Search' section with filters for Patient, Country, Sex, and Insurance. At the bottom, there is a table listing patients with columns for First Name, Middle Name, Date of Birth, City, Email, Insurance, and Employee.

First	Middle	Date of Birth	City	Email	Insurance	Employee
00001	Mr. Ahmad M. Mahmoud	05/05/84	Ap. 30, 2008	Ahmad.Mahmoud	Manage care	
00004	Mr. Hader A. Hader	4/4/85	May 03, 2008	Michael.Tariq.Ahmed		
00005	Mr. Hader A. Hader	5/4/85	May 03, 2008	Michael.Tariq.Ahmed		

Integration
